I was there to hear your borning cry, I'll be there when you are old.  
I rejoiced the day you were baptized, to see your life unfold.  
I was there when you were but a child, with a faith to suit you well;  
I'll be there in case you wander off and find where demons dwell.

When you found the wonder of the Word, I was there to cheer you on;  
You were raised to praise the living God, to whom you now belong.  
Should you find someone to share your time and you join your hearts as one,  
I'll be there to make your verses rhyme from dusk till rising sun.

In the middle ages of your life, not too old, no longer young,  
I'll be there to guide you through the night, complete what I've begun.  
When the evening gently closes in and you shut your weary eyes,  
I'll be there as I have always been with just one more surprise.

I was there to hear your borning cry, I'll be there when you are old.  
I rejoiced the day you were baptized, to see your life unfold.

Hymn

*God the Spirit, Guide and Guardian*

New Century Hymnal #355

God the Spirit, guide and guardian, wind-spiced flame and hovering dove,  
Breath of life and voice of prophets, sign of blessing, power of love:  
Give to those who lead your people fresh anointing of your grace;  
Send them forth as bold apostles to your church in every place.

Triune God, mysterious being, undivided and diverse,  
Deeper than our minds can fathom, greater than our creeds rehearse:  
Help us in our varied callings your full image to proclaim,  
That our ministries uniting may give glory to your name.
